## *Your OLLI President's Message*

### **OLLI President's Letter – January**

**Gratia Mahony  
President**

The New Year brings opportunities to learn new things, meet new friends, and visit new places with OLLI. As the celebration of our 25th Anniversary dwindles down, we look forward to the start of our Winter Term. We hope you had the opportunity to attend our Winter Open House on January 11 to meet with our instructors and visit with our Curriculum Committee. It is always a fun time, complete with door prizes, snacks, and a free book exchange.

And speaking of exchange; OLLI members delight in exchanging and sharing our knowledge and experiences. Many of our teachers share information they have learned through their professional careers or from hobbies they enjoy. Our teachers are eager to teach their peers at OLLI, and this experience is rewarding for us all. What could be more fun in 2019 than to teach a class and share your own interests with fellow students? We hope you will consider

becoming an OLLI instructor and contact one of the members of the Curriculum Committee with your idea—no previous teaching experience required!

There are other ways members can become involved with OLLI besides teaching and taking classes. Consider becoming an Office Volunteer. This is an easy and delightful way to perform a service, meet new people, and learn about the OLLI events and programs. If you can dedicate a couple of hours a week to assist in the OLLI office and help direct people to class, or answer questions our members may have, please contact Irene Garoppo [igaroppo@knology.net](mailto:igaroppo@knology.net) to arrange a time to help.

If you enjoy working in an office setting, you might consider becoming an OLLI Ambassador. OLLI Ambassadors help the OLLI program staff with office and clerical work, such as making name tags for our members or copying handout materials for OLLI instructors. If you can dedicate a few hours each week to this task, please contact Alice Sammon at [Alice.Sammon@uah.edu](mailto:Alice.Sammon@uah.edu).

I look forward to seeing many of you at OLLI when Winter Term begins on January 28.

*Gratia Mahony, OLLI at UAH Board President*

**Happy  
NEW YEAR !**

# CURRICULUM COMMITTEE

**Linda McAllister**  
**Curriculum Chair**

Most of us have enjoyed the holidays and an extended break from OLLI classes. However, classes will resume on January 28 and course offerings are available in our Winter Term catalog. It is online at [Osher.uah.edu](http://Osher.uah.edu) or by clicking the catalog below. If you are a member of OLLI, you will have received a catalog in the mail. We hope that you will find some courses that interest you out of our many wonderful offerings.

Having celebrated a significant birthday recently, I received an interesting book in the mail as a gift. Marie de Hennezel, an internationally renowned clinical psychologist, has written a French bestseller - *The Warmth of the Heart Prevents Your Body from Rusting*. The author was seeking to find positive ways to accept the inevitable fact that we are all aging. She proposed we think of the latter phase of our lives as a renaissance. While reading her book, I saw so many parallels to my experience in OLLI over the past fourteen years. In the latter part of her research she revealed, "I was convinced that if we could surround ourselves with goodwill and keep our hearts open and a ray of light shining deep within us, our old age, whatever it might be like, would have dignity and meaning." After interviewing many who were happily aging,

she heard quotes like "curiosity was like an anti-aging drug" and "I see only the good moments; the others I forget." This research author realized after interviewing numerous happy seniors that some of her dear friends actually made her "want to grow old. Being with them does me so much good that I think of them as good luck charms."

I hope that courses and conversations at OLLI have whetted your curiosity and you have surrounded yourself with new or old friends that serve as your "good luck charms." I hope you are stimulated by a curiosity that motivates you to keep learning and to keep delving into the wonders and mysteries of life. I hope to see you around for Winter Term classes, and the numerous social opportunities offered through our OLLI at UAH program.

Happy New Year!

# SOCIAL COMMITTEE

**Bob Darnall**  
**Social Committee**

On December 18th, the Annual OLLI Holiday Party was held at the Jackson Center. Ted Cannon, local DJ and owner of Music Machine DJs provided soft Christmas music during the social hour/dinner and then turned up the volume for everyone to dance. What a great way to kick off the holiday season.

**Laissez les bon temps rouler!** Our next social function will be a Mardi Gras party on Monday, March 4th at 6:00 p.m. at the Speakeasy located behind the lockers at Straight to Ale at Campus 805. We will have New Orleans Cajun style food and music. Come in costume if you like, put on green/purple/gold beads, and enjoy Fat Monday, two days before Ash Wednesday. There will be sign-up sheets at the January 11th Open House and in the volunteer office during the start of the Winter Term, or you can register online. Tickets are \$35.00 per person. Stay tuned to the weekly eNews for the launch of the online ticket sales.

On the last day of Winter Term, Friday, March 15, there will be a teacher appreciation luncheon. We are trying a new venue for this function which will be held at Design Lab at the Lincoln Mill on Meridian Street at 11:30 a.m. Be sure to plan to come out and thank your instructors for all they do to make OLLI great.

If you would be interested in serving on the Social Committee or you just have some ideas about what events you would like to see at OLLI, please contact me at 256.508.6033 or [darnall45@icloud.com](mailto:darnall45@icloud.com).

## **UPDATE: Nomination Task Force (NTF)**

Each year the OLLI Board of Directors elects five members to serve on the Nomination Task Force. The task force is responsible for reviewing applications from members desiring to serve on the Board and generating a ballot to be distributed electronically to each OLLI member. Voting for the 2019-2020 Board will be conducted in March. This year the NTF consists of: Alissa McKinnon, OLLI Program Manager; Bob Darnall, Chair; Sue Chatham; David Rabb; and Irene Garoppo.

OLLI is a volunteer run organization and only operates efficiently as long as members are willing to support the many activities with their time and resources. If you would be interested in helping with the operation of this wonderful organization, please fill out an application form, available in the OLLI volunteer office. If you would like more information on the level of commitment needed, please contact Bob Darnall, or any of the other members of the task force.

# VOLUNTEER COMMITTEE

**Irene Garoppo**

Many of you have had reason to visit the OLLI Volunteer Office. Some to ask questions, some to make copies, some just to chat for a while with friends. Our volunteer office is located in Wilson Hall, Room 151, and sometimes is a bustle of activity with people dropping in to get information or stopping by to chat with others members. There are many times you'll find three or four people in the office just chatting.

Ever wonder how the office gets staffed? By volunteers, of course. As you've hopefully noticed, volunteers with a warm smile and pleasant personality. Some perks of being a volunteer: If you have a 10:30 a.m. class and don't want to fight the parking issue, volunteer for an 8:30 a.m. shift in the office; if you have a class at 10:30 a.m. and another at 2:30 p.m. , volunteer for a 12:30 p.m. shift in the office. It's a great way to kill time between classes, or to avoid the 10:30 a.m. parking rush. It's also a great way to meet new people and know what's going on in our OLLI world. SO, if you possess the smile/personality traits or are tempted by the "perks" and may be interested in being an OLLI Office volunteer, please contact Irene Garoppo at [igaroppo@knology.net](mailto:igaroppo@knology.net).

## OLLI is Stronger with its Volunteers!

If you have an interest in becoming an OLLI Ambassador and assist in the UAH College of Professional and Continuing Studies OLLI office, please contact Alice Sammon at [Alice.Sammon@uah.edu](mailto:Alice.Sammon@uah.edu) or 256.824.6183.

If you would like to assist with snacks after the weekly Bonus please contact Rexanne Warfel at [rewarfel@yahoo.com](mailto:rewarfel@yahoo.com). Note: a snack schedule has been posted on the board in the lounge to make it easier to sign up for particular days.

If you would like to help staff the OLLI Volunteer office, contact Irene Garoppo at [igaroppo@knology.net](mailto:igaroppo@knology.net).

# Celebrating 25 Years of Lifelong Learning at UAH

## OLLI's 25<sup>th</sup> Anniversary Celebration with Bob Labbe

On Friday, December 7th, OLLI hosted the “Guru of Oldies” himself, Bob Labbe, in the third and final event of the 25<sup>th</sup> Anniversary Speaker Series at the UAH Nursing Building.

Bob has been spinning pop-hits of 1950 - 1990 from his vast collection (over 20,000 45-rpm records) in live broadcasts, from the studios of WLRH every Friday night for 28 years. How's that for some numbers! OLLI and non-OLLI fans of his ***Reelin' in the Years*** show, along with the curious, turned out in large numbers to see and hear him in person at UAH.

The standing-room only audience was elated to hear Labbe regale stories of meeting chart-topping artists over the years. Some were even dancing in the aisles to favorite tunes that framed their memories of yesteryear. Bob managed to work in pop-trivia games and hand out prizes to the Rock-n-Roll sharpies.

The event was a win-win partnership, as later on Friday night, Bob extolled the excellence of OLLI at UAH on-air several times. He thanked OLLI for its special hospitality; and ***Reelin' in the Years***, which airs each Friday night 9 p.m. – 1 a.m, on public radio station WLRH, FM 89.3, picked up a host of new listeners. *OLLI members, please, tune in!*

Nancy and Bob Darnall were so impressed with Labbe's volunteer commitment to public radio over the years, they donated tickets to Broadway Theatre League's *Kinky Boots* on behalf of OLLI to his program as give-a-ways to trivia contest winners.

# 25th Anniversary Speaker Series - A Soggy Success!

In celebration of **25 years of Lifelong Learning** at UAH, OLLI scheduled a lively celebration, kicking off its festivities with a reception at the historic Lowe House in September, where beloved member Sue Chatham was honored with the inaugural OLLI at UAH Legacy Volunteer Award. The reception was also a special time to recognize the past presidents and founding members of OLLI at UAH. To further celebrate this proud achievement in lifelong learning, OLLI also scheduled three special presentations for Fall 2018. Starting in October, Dr. Wayne Flynt, noted Alabama historian and author, kicked off the series with *Pulitzer and Politics: The Alabama Legacies of Harper Lee and George Wallace*. The room was almost overflowing, and his interesting stories and historical knowledge did not disappoint. The rain and wind outside did not dampen the spirits of the attendees as they talked with Dr. Flynt at the reception following his presentation, and he signed copies of his books.

In November, the Director of Curatorial Affairs from the Huntsville Museum of Art (HMA) presented *Behind the Scenes of Louis Comfort Tiffany - Treasures from the Driehaus Museum*. Peter Baldaia gave an unusual perspective of the inner workings of the museum exhibit and how it is acquired, assembled, and displayed. The exhibit is on display at HMA until January 13, 2019. Mr Baldaia battled through the storms that day accompanied by the Curator of Exhibitions, David Reyes. Together they enlightened the full room of attendees with their anecdotes and knowledge about the Tiffany treasures. The post lecture reception allowed additional questions and socializing with the guest speakers.

The last of the series was held in December, on yet another dark and rainy day. However, the spirits of those attending were quite the opposite. Mr. Bob Labbe, a host on WLRH radio and a pop music historian, presented *Reelin' in the Years: Pop Music from 1950s-1990s*. Between his historical knowledge and the recordings he played, the entire room was thoroughly entertained. Attendees were still humming their favorite tunes as they socialized with Mr. Labbe over appetizers and refreshments at the reception following the presentation.

The 25th Anniversary Speaker Series was designed to celebrate our lifelong learning program and to advertise our programs to the general public. Each presentation was advertised and open to the public, but designed to be interesting and entertaining to OLLI members. As a whole, our members value continuing learning opportunities mixed with a bit of socialization and fun.

If you enjoyed one or all of the speakers, please thank the 25th Anniversary Committee members - they worked from January until December planning, organizing, and executing each presentation.

The same process will apply for Spring and Summer terms.
