MAY YOU LIVE IN INTERESTING TIMES

We hear that statement a lot especially when events happening around us cause us to pause and wonder “now what?”. While the origin of the statement is disputed the meaning holds true for OLLI and its members for the new term. Much has happened. Alissa McKinnon, the Program Manager for OLLI, has

left for a new adventure in Nashville. Gratia Mahony, who was President of the Board and a very active member of OLLI for many years, has retired (again) to move to Ohio to be closer to her kids. Our new president, David Styers, has been elected to take over the reins. David is a retired engineer and has been a member for 3 years.

UAH President, Dr. Robert A. Altenkirch, has retired. He and his wife, Beth who was an active member of OLLI, have moved to Maine. The new President, Dr. Darren Dawson, will soon see the benefits of OLLI and recognize the part our members play in the UAH community as well as the Huntsville / North Alabama community.

These changes can be a little uncomfortable in the beginning, but our members have a reputation of stepping in and helping through the transition. Interesting.

OLLI now has over 1100 members. What a challenge that poses to the different committees that are constantly seeking course ideas and classes to keep them interested and engaged. With that challenge also comes opportunities to tap into a larger talent pool to broaden the vision of the OLLI programs with new ideas and new perspectives.

The Open House or “Back-to-School Kick Off” will be August 16 from 10:00 am until noon in Wilson Hall. With a new term starting on September 16th, I hope to hear the word “interesting” from members as they pour over the new catalog trying to decide which courses to take from the many that are offered.

Even if you register early online please stop by. Bring a friend, meet a new friend. Let us know what you did for summer vacation.

Any story you would like to share in the newsletter, send me a few pictures and a few lines describing the event and it will be featured in the **OLLI Life** section of the newsletter. Send to OLLINewsletter@uah.edu. All September Newsletter submissions are due by **August 17, 2019**.

FROM THE PRESIDENT

FALL TERM STARTS SEPTEMBER 16TH

We are beginning a new year of activities for OLLI and I hope you are as excited as I am. Just for the record, our membership has increased to over 1100 members, which is fantastic! We have had great attendance in our summer program and your Curriculum Committee has planned a full schedule for the Fall Term. I think you will be excited with the program they have put together.

Your new board completed orientation and training in June, and our committees have all been put together with their new or returning chairs as the case may be. Each of you are invited to serve on one of our committees.

Also, when you receive this newsletter you will note that it is just a little bit different in format from previous editions. Lisa and the CPCS staff have a new template that we believe will streamline the process for putting together the newsletter. We publish the newsletter ten times each year for your benefit and enjoyment.

I would like to highlight our Social Committee just a little bit. This group assists the Curriculum Committee with the Teacher Appreciation Lunches, the Annual Holiday Party and End of Year Banquet. I would like to encourage each of you to participate in these activities. During the term, we are scattered through 60 – 70 classes and tend to see people that enjoy the same learning opportunities. By enjoying these gatherings, you get the opportunity to meet and mingle with our other members and enjoy many new friends and connections.

Another committee that is very active right now, is your Travel Committee. They are putting together plans for the 2020 calendar year right now. They are targeting two to three trips per year. If you have suggestions for trips you would like for OLLI to consider, just let one of our travel members know and they will investigate the opportunity.

Finally, thank you for electing me to your OLLI Board. I joined OLLI three plus years ago and fell in love with the opportunity to continue learning in my retirement. I have explored things that I never got the opportunity to learn about during my career. I hope as a Board Member to be able to give a little back to OLLI.

I also have a confession, I am terrible at remembering names. If you see me, stop me and speak. I am user friendly!

David Styers
President, OLLI at UAH Board of Directors

RECORD COURSE ENROLLMENT

Kick-Off for Fall Term will be held on Friday, August 16 from 10:00 am – noon in Wilson Hall, conveniently located on the UAH campus.

Come to catch up with OLLI friends and meet new members. Greeters will be happy to give new folks a mini-tour of our OLLI dedicated

space and show them the lounge where beverages and goodies will be available. Discipline Chairs from the Curriculum Committee will be happy to discuss courses and introduce teachers from their subject discipline.

Everyone will have opportunity to learn about some exciting trips planned as well as upcoming socials, movies, and other special events. Bonus lectures, demonstrations and/or travelogues are offered each Friday for all OLLI members.

So, on August 16 - come to our Fall Kick Off, show off your school colors (optional), catch up with OLLI friends, welcome new folks, chat with Curriculum Committee, meet Fall Term teachers, sign up for special trips and events, register for Fall Term, get your Parking Permit, and enjoy some snacks in the OLLI Lounge. Even though the Fall Term catalog will be out prior to August 16, it will still be a great time to register for courses.

Many seasoned OLLI teachers will be returning in the fall with updated or new courses ready to stretch your mind. Discipline Chairs have engaged some exciting new teachers also. Check out the catalog for courses in the areas where you feel comfortable but also consider taking a class out of your comfort zone. Some folks prefer to delve into ethics, science, literature or foreign languages and others enjoy the hands-on courses such as art, quilting, card making or knitting and then others like active courses such as pickle ball, dancing, Yoga or Tai Chi. OLLI has it all and it behooves us seniors to keep our minds and bodies active while also engaging socially.

Your Curriculum Team has a great Fall planned. We will miss an important part of this team, Alissa McKinnon, our OLLI Program Manager, as she moves on to Nashville. Thanks Alissa and Val Seaquist for your leadership in developing our OLLI curriculum. Curriculum is the heart of our lifelong learning program.

TRANSITION AND GROWTH

As our summer dwindles to a close, we are excited about the new adventure Alissa McKinnon will be exploring in Nashville, TN. Alissa's last day with OLLI was on Tuesday, July 16th, and we wish her the best of luck in her future endeavors! In the interim, please contact Fathia Hardy at Fathia.Hardy@uah.edu or

call 256.824.6183 for questions or concerns.

This has been a summer to remember in OLLI! After three months of exciting courses and field trips, we will be wrapping up our Summer 2019 Program on August 7th as our History of Space Exploration course visits the U.S. Space & Rocket Center INTUITIVE® Planetarium for their final class session.

Highlights for our summer program include (*to name a few*):

- Held an educational lecture series featuring topics on making alcohol in Alabama, segregation in our schools, Cherokee history in the South, and the history of Muscle Shoals.
- Field trips to Muscle Shoals, Fort Payne, and Lynchburg, TN.
- Our first ever Improv comedy course for adults taught by James Clemens High School theatre director Amy Patel.
- A special Jazz Music History course taught by UAH professor and musician, Kevin Bounds.

For those who do not know, the Summer Program is planned entirely by our OLLI Staff in CPCS. Summer is our chance to give back to our membership by planning fun and flexible courses that fit your vacation and travel schedules! We hope our members felt the program was rewarding just as much as we did!

There are so many other rewarding benefits of being an OLLI Member, so we wanted to highlight a few as you start making plans to return to campus this Fall!

- OLLI members are able to utilize the UAH library for no additional fee! Please visit Osher.uah.edu/Benefits for information on how to obtain a user card and privileges.

- While on campus, don't forget to visit some of our food establishments to dine for breakfast, lunch, or dinner. Members who show their current OLLI Badge at payment will receive a discounted rate of \$6 plus tax at Charger Café and \$7 plus tax at Gardenvue Café.

UAH has had exceptional growth in the last 5 years at about 7% increase per year. This Fall will be no different with approximately 10,300 students starting August 21st! This amazing enrollment increase is due to Dr. Robert Altenkirch's goals to take UAH to new heights.

As most of you are aware, Dr. Altenkirch retired as President of UAH in June. We are excited to welcome his successor, Dr. Darren Dawson, to UAH as our ninth president.

Dr. Dawson is coming to UAH from Kansas State University as the Dean of the College of Engineering. Prior to his tenure at K-State he served at Clemson University for 24 years. He has a successful record for building partnerships with public – and private – sector entities as well as numerous research grant and contract awards.

We are excited for Dr. Dawson to lead UAH to its next milestones

As always, we are here to help YOU! We hope to see you this Fall in one of our exciting courses or educational Weekly Bonuses. Feel free to stop by our office, WIL 113, with any questions, concerns, or simply to say "Hello!" We want this Fall with OLLI to be a time of learning and laughter for all our members.

Fathia Hardy
Associate Director, UAH CPCS

OVER 100 MEMBERS ATTEND ANNUAL DINNER

The Annual Dinner was held on Monday, May 20th at the Student Services Building (SSB 112) overlooking the UAH greenway. Since OLLI has grown to 1100 members, this event was a great way to meet each other and share stories of the courses and programs members attended during the year. There was entertainment provided by *Fly Me to the Moon* and an introduction of the OLLI Board of Directors for the 2019-20 school year. David Styers, who was elected President of the Board, introduced himself and his vision for OLLI.

To culminate the 25th Anniversary of OLLI at UAH, Instructors who have taught 25+ courses were recognized for their contributions.

Awards were provided to the Annual Photo Contest winners. The theme was Alabama 200: Landmarks, Celebrate Alabama 200—Capture the Alabama You Love.

Winners

1st Place: Beth Altenkirch, *Nativity Spiral Through Weeden House Window*

2nd Place: Jun Ralleca, *Afternoon Mist at Nocalula Falls*

3rd Place: Johnnie Shue, *Sloss Furnaces National Historic Landmark*

A big **THANK YOU** to Bob Darnall and the Social Committee for putting together a great event!

ANNUAL DINNER RECOGNITIONS

Gratia Mahony was given a special recognition for her support for OLLI as member, instructor and serving as President of the Board from 2017-2019. We will miss her but we wish her the best in her “retirement”.

Christy Baker is the recipient of the OLLI scholarship. Christy completed her BA in Accounting in May 2019 and will be returning in the fall to obtain a MACC in Accounting. The OLLI scholarship is one of the ways we give back to the UAH community to assist students in need.

Dr. and Mrs. Robert Altenkirch received a special recognition award on behalf OLLI at UAH for their dedication and commitment to lifelong learning. Beth was the discipline chair of Foreign Languages and they both have been visible members of program. We congratulate them on their next adventure.

VOLUNTEER OF THE YEAR

2019 RECIPIENT - JERRY PANG

The **new** Volunteer Support Committee implemented a *Volunteer of the Year Award Program* this year, in addition to the *Legacy Volunteer Award* given to **Sue Chatham** at the 25th Anniversary. This will be awarded to a recipient based on nominations and votes from the members-at-large and presented each May at the OLLI Annual Dinner.

This year's first ever recipient is **Jerry Pang**. Jerry joined OLLI about four years ago and jumped in with both feet. He was nominated to join the Board of Directors and was voted in. He volunteered to be chairperson of the Member Services Committee - a committee that has a wide breadth of functions: the monthly newsletter, office volunteers, DVD lending library, annual photo contest, the OLLI Board calendar, weekly bonus "goodies", member interest groups (MIGs), OLLI-assigned facilities clean-up, membership financial assistance and CPCS AdHoc support. He personally inventoried the library and arranged reports to make the lending process easier.

In addition to all of these duties, Jerry also has facilitated various classes. He was involved with Tai-Chi and when the instructor decided not to teach any more, he volunteered to take over. The class was wait-listed so Jerry, being who he is, volunteered to teach a second class each term. In addition to teaching, he coordinated a MIG for students to practice outside the classes.

Jerry is the true epitome of a volunteer - giving selflessly of his time and talents to support an organization he truly believes in.

CONGRATULATIONS, JERRY!!!!

MEMBER SERVICES COMMITTEE

MEMBER APPRECIATION

Thanks, **Rexanne Warfel** for all the terrific snacks and light lunches you put together for the OLLI members who came for the Friday bonus sessions. You really, really went overboard to make those times special, even coordinating the food with the bonus topic. What a great time for OLLI members to enjoy the food and the chance to chat with old and new friends.

Rexanne is a retired nurse and has been with OLLI for 3 years. She is a great example of how volunteering can help to enhance the OLLI experience for everyone. She, obviously, enjoys cooking and cake decorating and has often used her expertise to provide delicious goodies for us.

It is a lot of work to do all this and Rexanne and Member Services would really appreciate more volunteers to help. If you would like to assist with this activity, please contact Leah Black, lblackie01@gmail.com.

FORT PAYNE: TREASURES OF NW ALABAMA

To celebrate the 200th anniversary of the statehood of Alabama, many of the summer activities included visits to historic and cultural sites in North Alabama. First stop was Fort Payne, AL where members got an inside look into the newly renovated Alabama Fan Club and Museum.

Members then explored the city of Fort Payne and it's natural beauty to include DeSoto State Park, 3,502 acres nestled atop Lookout Mountain. The park was developed in the late 1930's and lines Little River Canyon. The rushing waterfalls and fragrant wildflowers are breathtaking.

Next stop on the tour was the Fort Payne Depot Museum. It was built in 1891 for the Alabama - Great Southern Railroad. After approximately 85 years, the railroad announced plans to close and dismantle the depot. The building was restored and was turned in to a museum as it stands today!

The grand finale was a visit to Orbix Hot Glass. Members got to learn glass blowing techniques and take home some handmade glassware.

HISTORY OF THE SHOALS SOUND

OLLI Members had a rockin' good time in the Shoals on Friday, June 28th! Member's visited Muscle Shoals Sound Studio, FAME Recording Studios & Publishing Co., and the Alabama's Music Hall of Fame. The highlight was lunch at Champys Fried Chicken and ice cream at Trowbridge's!

TASTE OF LYNCHBURG, TN

Members took a Day Trip to Lynchburg, TN on Friday, July 12th. Participants had so much fun learning the history behind the famous Jack Daniels Whiskey. Also, they broke bread during a wonderful meal at Miss Mary BoBo's, who by the way has a 100 health score rating!

They ended the day exploring the square of Lynchburg and tasting some wonderful Jack Daniels Whiskey Raisin Ice Cream!
